

Fairfield Housing Authority
"Section 8 HCV Rental Listing"
Owner request to post unit listing

Dear Owner,

Fairfield Housing Authority provides a complimentary rental listing service. The service is for those in possession of a Housing Choice Voucher. Your unit will remain on our listing for 30 days. If the unit has not been rented within those 30 days you may contact us to re-list your unit or submit another request form. If you find a renter within those 30 days, please contact our office to have the listing removed. The asking rent must be at or below the payment standard for the specific bedroom size (see below). Additional information on the request form is used for rent comparables. The "Section 8 Rental Listing" is updated every Monday. This information is available in the Housing Authority lobby and website, www.fairfield.ca.gov, by each Monday. Thank you for showing an interest in the Section 8 program.

Sincerely,
Fairfield Housing Staff
